

DTB Pastores y Lideres from the Diaspora and the Mainland US,

Jesus Week Puerto Rico is beginning to build momentum as we prepare for regional meetings on the island. We are excited about the response to the call for supporting the Jesus Week Movement en la isla del Cordero (island of the Lamb). Saturating the Island

<https://jesusweekmovement.org/>

We are requesting support from our churches and leaders from the Diaspora (mainland US). Please feel free to share this email with members of the body of Christ that may be interested in our efforts to support Puerto Rico. We hope to kick off our "Jesus is the Bread of Life Campaign to support El Banco Alimento, Puerto Rico Food Bank.

As leaders in the movement, we need to recruit the following:

1. Churches on the mainland interested in supporting our efforts to recruit leaders and churches with an interest in supporting the island of Puerto Rico by identifying and partnering with churches on the island. Speaking to them about joining the movement, developing a partnership to participate in the 2025 Jesus Week campaign and organizing a mission to support evangelism.

**Pastor Luis Centeno is leading the effort and can be reached at (267) 307-6756. He will be able to provide any support and coordination to continue identify more mainland resources.**

2. Identifying pastors, leaders and church members to help recruit churches and associations on the island of Puerto Rico to support our efforts during Jesus Week to execute the "Transformation through Saturation" experience throughout the island.

**Evangelist Kenneth Feliciano is leading the effort of connecting mainland Pastors and churches with local organizations and leadership. Ken can be reached at (787) Once an entity or leadership in the US identifies an area or region, Ken will identify or engage local entities and support in the building of relationships working towards November 2024 and 2025.**

Thank you for all your support and work to build the Jesus Week Movement on the island. Our goal of mobilizing the 6.3 million members of the Puerto Rican Diaspora and Christian brothers and sisters to join us for a week of powerful evangelizing, adoration and prayer-will change history on the island.

Please share the Thursday Status Zoom meetings for anyone interested in participating and learning more at 11 am or 6:30 pm.
