Welcome to the Jesus Week Family!

Thank you for registering your outreach event. It is our privilege to serve and equip churches, ministries, and volunteers as we work together to bring the love of Jesus to our communities.

As a participating church or organization, you are now eligible to receive **FREE Jesus Week outreach resources** while supplies last. We are pleased to make them available for your outreach efforts, and we pray they will be a blessing as you share the love of Jesus in your community.
